

EDUCATION LAWYERS

your anchor in a storm

MOT your child's draft Education, Health and Care Plan

Education Lawyers specialist solicitors will check your child's draft Education, Health and Care Plan and advise if it meets the relevant legal requirements.

We will provide advice on how a draft EHC Plan can be improved so that the provision and therapies meet all your child's Special Educational Needs.

We can provide this advice either in writing
or by telephone for a one-off fee of £295 (plus VAT).

Call us on **01452 555166** or email **education@langleywellington.co.uk**
to arrange your MOT

Education Lawyers is the dedicated Education Law department of Langley Wellington LLP Solicitors. The team is highly experienced and skilled in providing legal advice and practical solutions in relation to Special Educational Needs cases.

For over 25 years their lawyers have been providing legal advice to families throughout England and Wales.

Education Lawyers get children with Special Educational Needs the support, provision and school they are entitled to with real positive results.
